

Executive Summary

Introduction

Key global markets

Key therapeutic markets

Key products

Key companies

Key trends and opportunities

Chapter 1. Introduction

Global pharmaceutical market

Report overview

Methodology

Sources

Structure

Chapter 2. Key global markets

Key pharmaceutical markets

US pharmaceutical market

US purchasing channels

US retail drug market

US market leaders

European pharmaceutical market

European retail drug market

Japanese pharmaceutical market

Chapter 3. Key therapeutic markets

Key therapy areas

Key product classes

CNS therapy area

CNS blockbusters

Cardiovascular therapy area

Cardiovascular blockbusters

Alimentary/metabolism therapy area

Alimentary/metabolism blockbusters

Anti-infectives therapy area

Anti-infectives blockbusters

Respiratory therapy area

Respiratory blockbusters

Oncologics therapy area

Antineoplastics/immunomodulator blockbusters

Chapter 4. Key products

Leading products

Lipitor (atorvastatin)

Plavix (clopidogrel)

Advair/Seretide (fluticasone/salmeterol)
Enbrel (etanercept)
Nexium (esomeprazole)
Remicade (infliximab)
Diovan/Co-Diovan/Provas/Miten (valsartan/hydrochlorothiazide)
Zyprexa (olanzapine)
Rituxan (rituximab)
Risperdal (risperidone)

Blockbuster trends
Blockbusters by drug type
Blockbusters by therapy area
Blockbusters by company

Chapter 5. Key companies

Major pharmaceutical companies
Major company financials
Major company locations
Top 10 pharmaceutical companies
Top 10 company financials
Top 10 company value drivers
Leading pharmaceutical companies
Pfizer
GlaxoSmithKline
Sanofi-Aventis
Roche
AstraZeneca
Novartis
Johnson and Johnson
Merck & Co
Wyeth
Eli Lilly

Chapter 6 Key trends and opportunities

Global market forecasts
The US market
The European market
The Japanese market
Other markets
Key therapy area forecasts
CNS market
Cardiovascular market
Alimentary/metabolism market
Anti-infectives market
Respiratory market
Oncologics market

Key product forecasts

Lipitor (atorvastatin)

Plavix (clopidogrel)

Advair/Seretide (fluticasone/salmeterol)

Enbrel (etanercept)

Nexium (esomeprazole)

Remicade (infliximab)

Diovan/Co-Diovan (valsartan/hydrochlorothiazide)

Zyprexa (olanzapine)

Rituxan (rituximab)

Risperdal (risperidone)

Key company forecasts

Pfizer

GlaxoSmithKline

Sanofi-Aventis

Roche

AstraZeneca

Novartis

Johnson and Johnson

Merck & Co

Wyeth
